International radio and TV show host Anna Olsen will be holding a twice-monthly class to develop your own intuitive and psychic abilities.

Practice and explore your gifts and capabilities with world-wide psychic reader Anna Olsen. Every second Wednesday of the month we will focus on cards and tools for divination. Every fourth Wednesday we will be focusing on the power of our consciousness, and law of attraction (and how this ties into human intuitive and extra-sensory abilities). Come join Anna to start your journey using extra-sensory abilities that all humans have...and can learn to use!
